**LIMITED TAX NOTES, SERIES 2021** **\$1,125,000**

August 22, 2022

Honorable Mayor and City Council:

A balanced budget for Fiscal Year 2022-23 is submitted for your consideration. Each line item was evaluated on the criteria identified in the Village's mission statement: quality of life, safety, and continued improvement of property values. The overall budget was designed to be the most effective value proposition for our residents, which is also the Village's guiding principle.

Each fund, plus a Five-Year Capital Improvement Plan, is represented in the proposed budget.

#### GENERAL FUND

General Fund revenue reflects a *total* ad valorem tax rate of \$0.1000 per \$100 valuation, the same as FY 21-22. Since the Village of The Hills issued Limited Tax Notes for the walking trail in June 2021, a portion of the total tax rate (0.0269/\$100) is the Interest & Sinking (I&S) Rate in the amount of \$169,174 toward debt service in FY 22-23. The remaining Maintenance & Operations (M&O) Rate of 0.0731 is reflected as ad valorem tax revenue in the General Fund in the amount of \$458,642. M&O and I&S combined is \$627,816.

Sales taxes are outperforming budget in the current fiscal year, as they did the prior year. Staff recommended a budget increase of \$31,000 (14%), from \$214,000 to \$245,000, following the trend observed the last two fiscal years. After Council input at the August meeting, that line item was adjusted to \$258,000.

Total General Fund revenue in the proposed FY 22-23 budget is \$844,942.

New or expanded programs include new park fixtures and events, consolidation of several landscape and maintenance services into one contract, capital funding for infrastructure improvements, and wildfire mitigation services. In 2021, the Constable's office indicated significant increases to the Interlocal Agreement due to legislative revenue caps. Staff negotiated the increase from 15% to 10%. Additional patrols are also included in the budget, for a total increase in Law Enforcement expenses of \$61,000 over projected spending in the current year. A 4% fee increase for the MUD Interlocal is proposed in accordance with the contract terms, as well as pro-rated funding for technology to support the financial software. A transfer of \$40,000 to the Capital Projects Fund is recommended in anticipation of projects delineated in the Five-Year Capital Improvements Program (CIP).

Budgeted expenditures total \$803,877.

#### SOLID WASTE MANAGEMENT FUND

Funded operations are similar to the current budget, including participation in the regional Household Hazardous Waste Facility, support of the canine refuse stations, and allocated expenses for personnel and financial/billing software. A rate increase from Waste Connections was expected, effective October 1, 2022. As of this writing, documentation has not been received. Staff recommends the monthly rate of \$22.00 remain the same.

Revenue is budgeted to exceed expenses by \$9,750.

#### HOTEL OCCUPANCY TAX FUND

The Council's adoption of a Hotel Occupancy Tax Ordinance in June 2022 precipitated creation of a new budget fund for the collection and expenditure of this revenue stream. Because there is no history on which to base projected revenues, and the specific requirements prior to utilizing these funds for the promotion of tourism, a budget is not proposed for FY 22-23. Staff recommends that Council consider a mid-year budget amendment as revenues are realized.

## CAPITAL IMPROVEMENT PLAN

The Capital Improvement Plan (CIP) is a five-year planning document adopted annually by the City Council to plan for capital improvements related to the Village's infrastructure. Projects identified in the CIP will be considered for funding each year as part of the budget process. For Fiscal Years 22-23 and 23-24, new irrigation and field development, cost-sharing signalization of the Lohmans/Wingreen intersection, and road resurfacing have been included.

## CAPITAL PROJECTS FUND

Tax Note proceeds in the amount of \$1,125,000 were deposited in the Capital Projects Fund for the primary purpose of completing the walking trail to the dam. Construction is substantially complete, with sod placement planned when temperatures are conducive to survival. New playscapes were installed in the park during the current fiscal year. Staff recommends the proposed Lohmans/Wingreen traffic signal be funded through the Capital Projects Fund in the new year, if an agreement is reached with the City of Lakeway. Additionally, new irrigation and turf in the park is also recommended.

Included in the proposed budget is a transfer of \$40,000 from General Fund to the Capital Projects Fund for FY 22-23, making funds available for capital projects which have been discussed but not yet prioritized.

## NEW AND ONGOING PROGRAMS

Internal and regional collaboration continues to be evident. This year the Council approved a request from the Club to integrate greenbelt space into the new golf course design, a public-private partnership which supports and improves property values throughout the community. Representatives of The Hills participated in Lake Travis Fire Rescue's Strategic Plan, and the Cities of The Hills, Bee Cave, and Lakeway continued to build their collective emergency management program. Additionally, the City is engaged in a Hazard Mitigation Plan Update with Travis County and area cities, the work on which will last well into the new Fiscal Year.

The Hills City Park & Nature Center is one of the community's best assets. The Council and Parks & Recreation Commission have engaged in significant planning efforts to ensure the long-term enjoyment of this amenity. New playscapes and safety surfaces were installed, increasing park utilization. Additionally, significant financial and staff resources are dedicated to wildfire mitigation and management of over 35 acres of parkland and greenbelts which add to the aesthetic beauty of the community, help clean the air, and provide visual and noise barriers.

It is my honor to present a budget document which I believe meets the policy goals you have articulated as elected representatives of the Village of The Hills. I extend my sincere appreciation to you and the staff for the hours of thoughtful deliberation involved in assembling a proposed budget. The proposed budget will be on file with the City Secretary and on the website during the 30 days preceding the public hearing on the budget and tax rate in September.

Respectfully submitted,

Wendy L. Smith  
City Manager
